

## Eagle Ridge and Etica Group are Uniting Together!

*July 27, 2023*

We want you to be among the first to know the Eagle Ridge Civil Engineering Services family is joining the team at Etica Group.

Our total service offerings include land surveying, architecture, building envelope, civil engineering, transportation engineering, and construction inspection. Like us, Eagle Ridge has a passion for serving clients through the development of functional infrastructure to improve our local communities.

This is exciting, both for our firm and for you, our clients. It will enable us to give you an enhanced level of expertise, capacity, and service. You will continue to receive the same personalized service with expanded capacity so we can be stronger and more versatile together!
