

Alliance Announces Strategic Acquisition of ORTECH Consulting Inc.

February 02, 2024

Alliance Technical Group (“Alliance”), a leader in environmental testing and compliance services, today announced its agreement to acquire ORTECH Consulting Inc. (“ORTECH”), a prominent Canadian environmental, engineering, and science consulting firm. This strategic move marks a significant expansion of Alliance’s portfolio in environmental and technical expertise and brings Alliance’s service offerings to the international stage.

Ortech Consulting Inc. – MISSISSAUGA, ON, Canada: ORTECH, with its rich history of delivering high-quality environmental consulting services, complements Alliance’s mission to offer comprehensive environmental solutions. Their expertise in air quality, renewable energy, and environmental assessments will be instrumental in achieving Alliance’s strategic goals.

“Alliance’s acquisition of ORTECH is a pivotal step in our journey to become a global leader in environmental services. ORTECH’s renowned expertise and innovative approach align perfectly with our vision for the future,” said Chris LeMay, CEO of Alliance Technical Group.

This acquisition is expected to bring together the strengths of both organizations, offering enhanced services to clients and creating new opportunities in the global environmental sector. Alliance remains committed to its core values of excellence, integrity, and sustainability, ensuring a seamless transition for ORTECH’s clients and employees.
