

## Salas O'Brien welcomes manufacturing-focused Zepnick Solutions

*February 12, 2024*

Zepnick Solutions joins Salas O'Brien bolstering the firm's position as a driving force in the manufacturing sector.

Salas O'Brien announced today that Zepnick Solutions has joined the company, creating a combined presence of over 75 offices and 2,500 team members across North America. The Zepnick team will continue to be managed by its current leaders and adopt the Salas O'Brien name after a transition period.

For more than 20 years, Zepnick has developed mechanical, electrical, process, and technology solutions for clients in the manufacturing sector. Zepnick is known for engineering solutions and automation design for the food, paper, and consumer goods industries.

Salas O'Brien seeks firms with aligned values that complement our organization where we are a stronger team together than apart.
