

Texplor Joins Terracon

January 31, 2024

Texplor of Dallas, Inc. (Texplor) is pleased to announce it has joined Terracon, an employee-owned firm with a long history of providing excellence in engineering consulting services, including safety and environmental services. Terracon and Texplor have enjoyed a successful teaming relationship for many years.

“We are confident that by joining Terracon, our clients will benefit from our continued support but now get the added benefits of increased resources in the Dallas-Fort Worth metro area and throughout Texas,” said Dianna Thomason, president, Texplor.

Texplor is now known as Terracon and will continue to operate throughout Texas from its Dallas location with support from Terracon’s 26 existing locations in the state, and more than 175 locations nationwide.

“We are pleased to welcome Texplor to our team, and allow our clients to benefit from their environmental and geotechnical drilling services, staff expertise, and high-quality soil sampling equipment,” said Jeff Roberts, Texas Division Manager, Terracon.

Terracon is an employee-owned consulting firm comprised of more than 6,000 curious minds focused on solving engineering and technical challenges from more than 175 locations nationwide. The firm provides on-time and real-time data-driven insights, provided by talented employee-owners, to create an unmatched client experience that spans the lifecycle of any project, any size, anywhere. Terracon consistently ranks as a top 20 design firm by Engineering News-Record. For additional information about Terracon, visit terracon.com.
