

Traffic & Mobility Consultants Acquires O'Rourke Engineering & Planning in Stuart, FL

February 26, 2024

Traffic & Mobility Consultants (TMC), an Orlando, FL based engineering company specializing in transportation planning and traffic engineering, announces the acquisition of O'Rourke Engineering & Planning, a leading traffic and transportation engineering firm located in Stuart, FL. The acquisition enhances TMC's reach and reinforces its commitment to delivering best-in-class solutions in the field of transportation engineering.

O'Rourke Engineering & Planning has a reputation for finding creative and innovative solutions to address the complexities of contemporary transportation issues. The firm's specialization includes traffic impact analysis, parking studies, signal design, and transportation design, making it a perfect fit for TMC's vision of providing holistic transportation solutions. With extensive experience working with both public and private sector clients, O'Rourke Engineering & Planning brings a wealth of knowledge and qualifications to the TMC team.

Mohammed Abdallah, CEO of Traffic & Mobility Consultants, expressed enthusiasm about the acquisition, stating, "We are thrilled to welcome O'Rourke Engineering & Planning into the TMC team. This strategic move aligns perfectly with our commitment to providing the highest quality transportation planning and engineering services throughout the state. Together, we look forward to tackling the challenges of today's dynamic transportation landscape and delivering innovative solutions to our clients."

Susan O'Rourke, President of O'Rourke Engineering & Planning stated, "Joining forces with Traffic & Mobility Consultants opens up exciting opportunities to access talent and experience that will expand the breadth and depth of our services and enhance client responsiveness. Our shared commitment to excellence and innovation will lead to even greater client outcomes. "

This strategic move reinforces Traffic & Mobility Consultants' position as a leading player in the transportation engineering sector, bringing together two reputable firms to provide a wider range of services to clients across Florida and beyond.

The financial terms of the acquisition were not disclosed. Greenberg Traurig acted as legal advisor to TMC and Arago Law acted as legal advisor to O'Rourke Engineering & Planning.
