

DBI Architects was acquired by GF (GreenbergFarrow)

March 5, 2024

Blackcastle is pleased to announce the sale of DBI Architects to GF (GreenbergFarrow).

DBI Architects ("DBI") was established in 1973 and is one of the oldest Architecture and Interior Design firms in the Greater Washington D.C. area. The Company has 34 employees based in their headquarters in Reston, VA. DBI provides master planning, architecture, interior architecture & design, stealth design, extended construction contract administration, furniture management, and move management/facility management services. DBI's clients include the commercial and residential real estate communities, federal government agencies, corporations and technology firms, the hospitality and restaurant industry, and local, national, and international organizations.

GF (GreenbergFarrow) is an architecture, engineering, and development services firm founded in 1974. Based in Atlanta, GA, the firm has eleven offices across the United States and international offices in Hong Kong, Singapore and Mexico City. GF's nearly 300 talented professionals specialize in large-scale retail and urban mixed-use developments, specialty retail and restaurants, and luxury high-rise residential developments. Services include pre-development zoning, land use studies, branding and prototype development, architectural and engineering design, project management, and construction administration. Clients include IKEA, Related Companies, Meijer, Vornado, Victoria's Secret, Toll Brothers, Bath & Body Works, Whole Foods Market, Acadia, The Home Depot, Michaels, Murphy USA, Circle K, Clean Energy, and Texas Roadhouse. GF is ranked in Building Design + Construction Magazine's top 200 Architecture and Engineering firms.

Blackcastle acted as an exclusive advisor to DBI Architects. The transaction closed in March 2024; the terms of the deal were not disclosed.
