

## LJA Expands Presence in Florida with Addition of Team from Agnoli, Barber, & Brundage, Inc.

March 1, 2024

Houston, TX – LJA Engineering is thrilled to announce the expansion of its land development and surveying presence in Florida through the addition of a dynamic 40+ person team from Agnoli, Barber & Brundage, Inc. (ABB) based in Naples. This strategic move bolsters LJA’s footprint in Southwest Florida, aligning with the company’s commitment to enhancing its service offerings and client reach in the region.

Led by Dominick Amico, P.E., the ABB team brings a wealth of expertise and experience in engineering, planning, surveying, and landscape architecture services, perfectly complementing LJA’s existing suite of services. This synergy promises to deliver comprehensive solutions to clients across various markets, further solidifying LJA’s position as a premier provider of integrated engineering design and consulting services.

LJA’s CEO, James Ross, P.E., stated, “The addition of the ABB team is a natural fit for our services and marks another milestone in our journey to expand and serve clients throughout Florida. We are excited about the opportunities this collaboration will unlock and the value it will bring to our clients and their projects in the southwestern Florida market.”

Dominick Amico echoed similar sentiments, stating, “Joining forces with LJA presents an exciting chapter for our team and opportunity for growth. By joining LJA, we have given every one of our employees an ownership stake in their future success. We look forward to leveraging LJA’s resources and expertise to explore new opportunities and deliver enhanced services to our clients.”

The integration of the ABB team into LJA’s operations reaffirms LJA’s dedication to providing comprehensive solutions that meet the evolving needs of their clients in Florida and across the southeast United States.
