

Halle Capital-backed True Environmental Announces Acquisition of Sundance Consulting

March 12, 2024

Sundance Consulting, Inc. ("Sundance"), a full-service environmental consulting firm, today announced that it has joined True Environmental, Inc. ("True"), a platform focused on collaborating with founder and employee-owned environmental consulting and engineering firms to provide capital solutions to accelerate growth and facilitate seamless ownership transitions. The union further enhances True's mission of building a best-in-class environmental services platform in the consulting and engineering industry.

September Myres, Founder of Sundance, commented, "This partnership is a significant milestone in Sundance's continued evolution, supporting our vision of investing in our talented and dedicated people to better serve our clients. In True Environmental, we have found a group that shares our values, respects our culture, and is committed to supporting our customers." Mark Rigatti, President of Sundance, commented that "the infusion of expertise and capability from True Environmental will greatly strengthen and expand our service offerings and resources to our clients."

"Sundance has built a terrific company centered on deep employee engagement and exceptional client service within the federal sector. We look forward to working with September and the Sundance team to continue delivering best-in-class solutions to solve their clients' complex environmental challenges," said Jim Stamatis, CEO of True Environmental.

"We could not be more excited to partner with September, Mark, and the Sundance team to build on our strong foundation with last year's partnership with Matrix New World as we build a world-class environmental engineering and consulting firm. We are fortunate to have assembled a seasoned management team at True Environmental, who will be great thought partners in helping the Sundance team achieve their long-term goals," said Jay Abramson, Senior Partner at Halle Capital.

Tighe & Bond, a Northeast leader in engineering, design, and environmental consulting, announces it has acquired Cape Cod-based Coastal Engineering Co., Inc. (Coastal), a civil, structural, and waterfront/marine engineering firm that specializes in projects located in environmentally sensitive areas.

This strategic acquisition aligns with Tighe & Bond's vision of being a trusted advisor by offering clients a comprehensive, single-source solution to their engineering, design, and environmental science needs. The addition of Coastal Engineering's staff bolsters the breadth and depth of services that Tighe & Bond currently offers to clients, particularly those located in Cape Cod, the islands, and coastal Massachusetts and Rhode Island.
