

Pape-Dawson Engineers, LLC Acquires Texas-Based KSA Engineers

October 08, 2024

Pape-Dawson has acquired Texas-based KSA Engineers, continuing to grow its presence within Texas and across the United States and expanding its service offerings for clients.

Since its founding in Longview, Texas in 1978, KSA has grown to 170 team members across 11 offices in Texas, Louisiana, and Oklahoma. The firm offers a variety of professional services including municipal engineering, aviation planning and design, architecture, and surveying.

“KSA has earned a strong reputation in Texas over the years,” said Pape-Dawson Executive Vice President, Trey Dawson. “We are thrilled to join forces in our home state, bringing added capabilities and capacity to Texas project teams. We look forward to building new relationships in Louisiana and Oklahoma as we continue to expand into new markets.”

“We’re excited to join the Pape-Dawson family. Our combined expertise is underscored by shared values and a commitment to building stronger communities,” stated Mitchell Fortner, President/CEO at KSA. “I am confident that this partnership will bring added value to our clients and project teams as well as new opportunities for our hard-working employees. Our ability to make an impact will be greater together.”
