

Spartina Surveying joins Bolton & Menk

January 10, 2023

Our commitment to communities began in 1949 when John Bolton & Martin Menk saw people in their surrounding communities who had dreams of a bright future, a desire to grow, and a common challenge of aging infrastructure. John and Martin's goal was to help communities make progress by listening to what people want, finding the best solutions for their needs, and treating them right.

As we honor John and Martin's legacy, we continue to seek opportunities to bring our client-first approach to more communities and clients. We are happy to announce that as of January 1st, 2023, Spartina Surveying joined the Bolton & Menk Team. The acquisition brings with it 15 total teammates, including an RLS and 4 survey crews in Conway, SC, establishing our 29th Bolton & Menk office location.
