

Exciting News from DRG Architects!

February 18, 2025

We are pleased to announce that Vitetta has joined DRG Architects! This partnership brings together two firms with a shared commitment to design excellence, public sector expertise, and outstanding client service. Vitetta is widely recognized for its architectural excellence in government and public sector markets, with a distinguished Historic Preservation Program that has played a pivotal role in restoring and preserving some of our nation's most treasured landmarks.

With this merger, we are expanding our capabilities and strengthening our ability to serve you even better. We're excited for what's ahead!
