

ENTRUST Solutions Group Acquires Maskwa High Voltage

January 08, 2025

ENTRUST Solutions Group announced today that it has completed the acquisition of Maskwa High Voltage LTD. ENTRUST Solutions Group is majority-owned by Kohlberg & Company, a leading private equity firm based in Mount Kisco, NY, with additional minority investment from Neuberger Berman Alternatives, a private, independent, employee-owned investment manager.

ENTRUST Solutions Group, a leader in power and energy infrastructure transformation through comprehensive engineering and consulting services, is pleased to announce the acquisition of Maskwa High Voltage, a prominent player in the Canadian market specializing in electric transmission, distribution, substation and renewables design and engineering services.

This acquisition marks a significant step in ENTRUST's expansion into Canada, establishing a robust platform for growth in this important market, as well as enhancing ENTRUST's ability to support the energy transition by providing critical services to the redesign and upgrade of the power grid. By joining forces, ENTRUST and Maskwa High Voltage are broadening their geographical footprint as well as enhancing their capacity to serve clients' goals with the highest level of excellence.

"We are thrilled to welcome Maskwa High Voltage to the ENTRUST family," said Adam Biggam, CEO of ENTRUST Solutions Group. "The alignment in our services and commitment to innovation makes this partnership not only a natural fit but a strategic one that will allow both of our teams to reach new heights. Together, we will offer a more comprehensive suite of services and solutions to our clients, ensuring continued success and growth."

Maskwa High Voltage's expertise in the Canadian market complements ENTRUST's existing capabilities, allowing the combined entity to deliver even greater value to clients. The acquisition will enable ENTRUST to provide a seamless and integrated experience, leveraging Maskwa High Voltage's local knowledge and ENTRUST's extensive resources.

"We are thrilled to start a new chapter for Maskwa High Voltage under the ENTRUST umbrella. This acquisition represents a significant milestone for Maskwa High Voltage, allowing us to leverage ENTRUST's extensive resources and expertise to better serve our clients," said Ryan Macdonald, President of Maskwa High Voltage, "We are excited to continue to innovate and deliver exceptional value in the Canadian market."
