

Tetra Tech to Advance Its Digital Automation Solutions with the Acquisition of SAGE Group

May 01, 2025

Tetra Tech, Inc. (NASDAQ: TTEK), a leading provider of high-end consulting and engineering services in water, environment, and sustainable infrastructure, announced today that it has signed a definitive agreement to acquire SAGE Group Holdings Ltd (SAGE Group), a premier automation solutions provider known for its expertise in municipal water and industrial manufacturing automation, smart infrastructure, and systems integration.

SAGE Group delivers innovative technology and high-quality automation services that optimize operational efficiency and drive digital transformation for commercial and government clients across the municipal water, energy, transportation, defense and manufacturing sectors. This acquisition will expand Tetra Tech's digital systems solutions to a broader suite of clients, and provide advanced electrical and instrumentation design, engineered control systems, cybersecurity, and cloud integration.

"Tetra Tech's deep technical expertise and advanced technology solutions help utilities, and the private sector optimize performance and make effective, data-driven decisions," said Dan Batrack, Tetra Tech Chairman and CEO. "The addition of SAGE Group's digital automation capabilities will further enhance our offerings by bringing additional expertise, AI-enabled technology, and demonstrated client solutions to our collective team."

"Tetra Tech and SAGE Group share complementary expertise, a strong cultural fit, and a shared long-term strategic vision to deliver impactful, future-focused solutions across industrial digitalization, AI and cybersecurity," said Adrian Fahey, SAGE Group's Managing Director. "This partnership will position SAGE for long-term growth, broaden its service offering, and provide new global resources — enhancing the value, innovation, and support we deliver to our clients and, expanded opportunities for our employees."

SAGE Group is joining the Commercial International Business Group. The acquisition will be subject to the satisfaction of customary closing conditions.
